1.   **What is a cookie?**

Cookies are small text files (composed only of letters and numbers) that are sent to and stored on your computer, smartphone or other device for accessing the Internet, whenever you visit a website. Each cookie is unique to your web browser. It will contain some anonymous information such as a unique identifier and the website name and some digits and numbers. Cookies are specific to the server that created them and cannot be accessed by other servers, which means that they cannot be used to track your movements around the web.

Most websites you visit will use cookies in order to improve your user experience by enabling that website to 'remember' you, either for the duration of your visit (using a 'session cookie') or for repeat visits (using a 'persistent cookie').

KUDRETMAKINE.COM use cookies for a variety of reasons, such as to compile anonymous, aggregated statistics that
